✓ dashboard-assessments.spec.ts	
Assessments History Page › should show assessment types (PHQ-9, GAD-7, PSS)	31.0s
<div>chromium-auth</div> dashboard-assessments.spec.ts:80   View Trace	
✓ Assessments History Page › should display assessments page	9.5s
<div>chromium-auth</div> dashboard-assessments.spec.ts:12  View Trace	
✓ Assessments History Page › should toggle between timeline and insights views	9.1s
<div>chromium-auth</div> dashboard-assessments.spec.ts:18  View Trace	
✓ Assessments History Page › should display trend visualization bars	11.7s
<div>chromium-auth</div> dashboard-assessments.spec.ts:41  View Trace	
✓ Assessments History Page › should display severity scoring (1-5 scale)	8.9s
<div>chromium-auth</div> dashboard-assessments.spec.ts:56  View Trace	
✓ Assessments History Page › should display relative time (e.g., "2 days ago")	8.6s
<div>chromium-auth</div> dashboard-assessments.spec.ts:67  View Trace	
✓ Assessments History Page › should show severity levels (Minimal, Mild, Moderate, Severe)	8.3s
<div>chromium-auth</div> dashboard-assessments.spec.ts:94  View Trace	
✓ Assessments History Page › should filter assessments by type	8.4s
<div>chromium-auth</div> dashboard-assessments.spec.ts:105  View Trace	
✓ Assessments History Page › should provide link to take new assessment	11.8s
<div>chromium-auth</div> dashboard-assessments.spec.ts:127  View Trace	
✓ Assessments History Page › should be responsive on mobile	11.0s
<div>chromium-auth</div> dashboard-assessments.spec.ts:141  View Trace	
✓ Assessments History Page › should show assessment details when clicked	8.9s
<div>chromium-auth</div> dashboard-assessments.spec.ts:157  View Trace	

✓ auth.setup.ts		
✓ authenticate	setup	17.9s
auth.setup.ts:7  View Trace		
✓ api-integration.spec.ts		
✓ API Integration Tests › Emotion Prediction API › should predict emotion from journal text	chromium-auth	12.5s
api-integration.spec.ts:6  View Trace		
✓ API Integration Tests › HIMPSI Psychologist API › should fetch psychologists from API	chromium-auth	12.7s
api-integration.spec.ts:49  View Trace		
✓ API Integration Tests › Gemini AI API › should send message to AI and receive response	chromium-auth	8.3s
api-integration.spec.ts:68  View Trace		
✓ API Integration Tests › Gemini AI API › should handle AI streaming response	chromium-auth	7.9s
api-integration.spec.ts:92  View Trace		
✓ API Integration Tests › Firebase Firestore › should save journal entry to Firestore	chromium-auth	7.4s
api-integration.spec.ts:126  View Trace		
✓ API Integration Tests › Firebase Firestore › should update user mood streak in Firestore	chromium-auth	9.2s
api-integration.spec.ts:169  View Trace		
✓ API Integration Tests › Geocoding API › should geocode psychologist locations	chromium-auth	7.5s
api-integration.spec.ts:187  View Trace		
✓ API Integration Tests › TensorFlow.js Model API › should load TF.js model from public directory	chromium-auth	9.8s
api-integration.spec.ts:206  View Trace		
✓ API Integration Tests › API Error Handling › should show retry option on API failure	chromium-auth	6.9s
api-integration.spec.ts:226  View Trace		

✓ API Performance Tests › should complete AI response within 15 seconds	10.1s
<div>chromium-auth</div> api-integration.spec.ts:254  View Trace	
✓ API Performance Tests › should load ML model within 10 seconds	3.5s
<div>chromium-auth</div> api-integration.spec.ts:280  View Trace	
✓ dashboard-ai-assistant.spec.ts	
✓ AI Assistant Page › should display AI assistant interface	8.8s
<div>chromium-auth</div> dashboard-ai-assistant.spec.ts:12  View Trace	
✓ AI Assistant Page › should display suggested topics	10.0s
<div>chromium-auth</div> dashboard-ai-assistant.spec.ts:24  View Trace	
✓ AI Assistant Page › should have anxiety category topics	11.9s
<div>chromium-auth</div> dashboard-ai-assistant.spec.ts:34  View Trace	
✓ AI Assistant Page › should have wellbeing category topics	9.8s
<div>chromium-auth</div> dashboard-ai-assistant.spec.ts:41  View Trace	
✓ AI Assistant Page › should have support category topics	9.5s
<div>chromium-auth</div> dashboard-ai-assistant.spec.ts:47  View Trace	
✓ AI Assistant Page › should send a custom message	11.7s
<div>chromium-auth</div> dashboard-ai-assistant.spec.ts:75  View Trace	
✓ AI Assistant Page › should have sidebar navigation	9.8s
<div>chromium-auth</div> dashboard-ai-assistant.spec.ts:97  View Trace	
✓ AI Assistant Page › should clear chat history	8.8s
<div>chromium-auth</div> dashboard-ai-assistant.spec.ts:106  View Trace	
✓ AI Assistant Page › should be responsive on mobile	8.9s
<div>chromium-auth</div> dashboard-ai-assistant.spec.ts:121  View Trace	
✓ AI Assistant Page › should handle empty input validation	12.4s
<div>chromium-auth</div> dashboard-ai-assistant.spec.ts:134  View Trace	
✓ dashboard-journal.spec.ts	
✓ Journal Page - Advanced Features › should search journal entries with debounce	10.0s
<div>chromium-auth</div> dashboard-journal.spec.ts:12  View Trace	
✓ Journal Page - Advanced Features › should filter by mood types	8.7s
<div>chromium-auth</div> dashboard-journal.spec.ts:32  View Trace	
✓ Journal Page - Advanced Features › should filter by tags	8.5s
<div>chromium-auth</div>	

dashboard-journal.spec.ts:55	 View Trace	
✓ Journal Page - Advanced Features › should filter by date range	 8.6s	dashboard-journal.spec.ts:71  View Trace
✓ Journal Page - Advanced Features › should sort entries by newest	 10.4s	dashboard-journal.spec.ts:81  View Trace
✓ Journal Page - Advanced Features › should sort entries by oldest	 8.3s	dashboard-journal.spec.ts:97  View Trace
✓ Journal Page - Advanced Features › should switch between view modes - card, list, compact	 9.4s	dashboard-journal.spec.ts:113  View Trace
✓ Journal Page - Advanced Features › should perform lazy loading on scroll	 9.7s	dashboard-journal.spec.ts:132  View Trace
✓ Journal Page - Advanced Features › should open delete confirmation modal	 12.3s	dashboard-journal.spec.ts:150  View Trace
✓ Journal Page - Advanced Features › should display mood icons correctly	 8.5s	dashboard-journal.spec.ts:172  View Trace
✓ Journal Page - Advanced Features › should create new journal entry	 8.3s	dashboard-journal.spec.ts:182  View Trace
✓ Journal Page - Advanced Features › should handle empty state when no entries	 8.3s	dashboard-journal.spec.ts:202  View Trace
✓ Journal Page - Advanced Features › should be responsive on mobile	 19.2s	dashboard-journal.spec.ts:225  View Trace
✓ dashboard-main.spec.ts		
✓ Dashboard Main Page › should display all dashboard components	 9.7s	dashboard-main.spec.ts:11  View Trace

✓ Dashboard Main Page › should display streak tracking with flame icon	10.0s
<div>chromium-auth</div> dashboard-main.spec.ts:23  View Trace	
✓ Dashboard Main Page › should switch mood chart time ranges	12.2s
<div>chromium-auth</div> dashboard-main.spec.ts:31  View Trace	
✓ Dashboard Main Page › should display AI assistant widget	9.3s
<div>chromium-auth</div> dashboard-main.spec.ts:56  View Trace	
✓ Dashboard Main Page › should navigate to journal page	9.8s
<div>chromium-auth</div> dashboard-main.spec.ts:61  View Trace	
✓ Dashboard Main Page › should navigate to progress page	14.9s
<div>chromium-auth</div> dashboard-main.spec.ts:67  View Trace	
✓ Dashboard Main Page › should navigate to AI assistant	10.8s
<div>chromium-auth</div> dashboard-main.spec.ts:75  View Trace	
✓ Dashboard Main Page › should display recommendations based on user status	9.9s
<div>chromium-auth</div> dashboard-main.spec.ts:83  View Trace	
✓ Dashboard Main Page › should be responsive on mobile	12.7s
<div>chromium-auth</div> dashboard-main.spec.ts:91  View Trace	

✓ dashboard-progress.spec.ts	
✓ Progress Tracking Page › should display progress page	8.2s
<div>chromium-auth</div> dashboard-progress.spec.ts:12  View Trace	
✓ Progress Tracking Page › should display mood chart component	8.3s
<div>chromium-auth</div> dashboard-progress.spec.ts:18  View Trace	
✓ Progress Tracking Page › should have time range selector for mood chart	9.6s
<div>chromium-auth</div> dashboard-progress.spec.ts:24  View Trace	
✓ Progress Tracking Page › should display mental health status	10.2s
<div>chromium-auth</div> dashboard-progress.spec.ts:36  View Trace	
✓ Progress Tracking Page › should display recommendations component	8.8s
<div>chromium-auth</div> dashboard-progress.spec.ts:42  View Trace	
✓ Progress Tracking Page › should have gradient background card	8.3s
<div>chromium-auth</div> dashboard-progress.spec.ts:48  View Trace	

✓ Progress Tracking Page › should show improvement trends	chromium-auth	8.3s
dashboard-progress.spec.ts:55	View Trace	
✓ Progress Tracking Page › should display streak information	chromium-auth	12.2s
dashboard-progress.spec.ts:64	View Trace	
✓ Progress Tracking Page › should be responsive on mobile	chromium-auth	8.4s
dashboard-progress.spec.ts:72	View Trace	

✓ dashboard-resources.spec.ts		
✓ Resources Page › should display resources page	chromium-auth	17.2s
dashboard-resources.spec.ts:12	View Trace	
✓ Resources Page › should display resource count	chromium-auth	19.3s
dashboard-resources.spec.ts:19	View Trace	
✓ Resources Page › should filter by condition - anxiety	chromium-auth	12.6s
dashboard-resources.spec.ts:24	View Trace	
✓ Resources Page › should filter by condition - depression	chromium-auth	17.7s
dashboard-resources.spec.ts:35	View Trace	
✓ Resources Page › should filter by condition - stress	chromium-auth	12.2s
dashboard-resources.spec.ts:45	View Trace	
✓ Resources Page › should reset to all conditions	chromium-auth	12.1s
dashboard-resources.spec.ts:55	View Trace	
✓ Resources Page › should filter by resource type - exercises	chromium-auth	13.1s
dashboard-resources.spec.ts:65	View Trace	
✓ Resources Page › should filter by resource type - tools	chromium-auth	11.9s
dashboard-resources.spec.ts:78	View Trace	
✓ Resources Page › should filter by resource type - resources/articles	chromium-auth	11.9s
dashboard-resources.spec.ts:90	View Trace	
✓ Resources Page › should search resources	chromium-auth	13.3s
dashboard-resources.spec.ts:104	View Trace	
✓ Resources Page › should display resource cards with all information	chromium-auth	11.2s
dashboard-resources.spec.ts:117	View Trace	
✓ Resources Page › should display severity level badges	chromium-auth	13.8s
dashboard-resources.spec.ts:134	View Trace	

✓ Resources Page › should display resource icons	chromium-auth	22.4s
dashboard-resources.spec.ts:142	View Trace	
✓ Resources Page › should display duration for resources	chromium-auth	20.3s
dashboard-resources.spec.ts:148	View Trace	
✓ Resources Page › should display tags for each resource	chromium-auth	11.8s
dashboard-resources.spec.ts:157	View Trace	
✓ Resources Page › should limit tag display and show "+N more"	chromium-auth	13.3s
dashboard-resources.spec.ts:163	View Trace	
✓ Resources Page › should show empty state when no resources match filters	chromium-auth	14.2s
dashboard-resources.spec.ts:171	View Trace	
✓ Resources Page › should display condition-specific colors	chromium-auth	11.6s
dashboard-resources.spec.ts:182	View Trace	
✓ Resources Page › should be responsive on mobile	chromium-auth	19.6s
dashboard-resources.spec.ts:195	View Trace	
✓ Resources Page › should combine multiple filters	chromium-auth	12.1s
dashboard-resources.spec.ts:207	View Trace	

✓ find-psychologist.spec.ts		
✓ Find Psychologist Page - Comprehensive › should display find psychologist page with all filters	chromium-auth	22.0s
find-psychologist.spec.ts:12	View Trace	
✓ Find Psychologist Page - Comprehensive › should display search input	chromium-auth	12.1s
find-psychologist.spec.ts:21	View Trace	
✓ Find Psychologist Page - Comprehensive › should search by name, association, or location	chromium-auth	13.4s
find-psychologist.spec.ts:26	View Trace	
✓ Find Psychologist Page - Comprehensive › should filter by association	chromium-auth	16.3s
find-psychologist.spec.ts:39	View Trace	
✓ Find Psychologist Page - Comprehensive › should filter by price range	chromium-auth	12.5s
find-psychologist.spec.ts:47	View Trace	

✓ Find Psychologist Page - Comprehensive › should filter available only	12.4s
<div>chromium-auth</div>	
find-psychologist.spec.ts:55	View Trace
✓ Find Psychologist Page - Comprehensive › should display psychologist cards with all information	12.6s
<div>chromium-auth</div>	
find-psychologist.spec.ts:68	View Trace
✓ Find Psychologist Page - Comprehensive › should show pagination when multiple pages	12.6s
<div>chromium-auth</div>	
find-psychologist.spec.ts:80	View Trace
✓ Find Psychologist Page - Comprehensive › should display contact options	17.8s
<div>chromium-auth</div>	
find-psychologist.spec.ts:102	View Trace
✓ Find Psychologist Page - Comprehensive › should be responsive on mobile	18.3s
<div>chromium-auth</div>	
find-psychologist.spec.ts:115	View Trace

✓ accessibility.spec.ts	
✓ Accessibility › landing page should have proper heading hierarchy	<div>chromium</div> 1.9s
accessibility.spec.ts:4	View Trace
✓ Accessibility › images should have alt text	<div>chromium</div> 1.7s
accessibility.spec.ts:18	View Trace
✓ Accessibility › buttons should have accessible names	<div>chromium</div> 1.8s
accessibility.spec.ts:33	View Trace
✓ Accessibility › form inputs should have labels	<div>chromium</div> 1.6s
accessibility.spec.ts:51	View Trace
✓ Accessibility › page should have proper document title	<div>chromium</div> 1.5s
accessibility.spec.ts:63	View Trace
✓ Accessibility › links should have descriptive text	<div>chromium</div> 2.0s
accessibility.spec.ts:72	View Trace
✓ Accessibility › keyboard navigation should work on landing page	<div>chromium</div> 1.7s
accessibility.spec.ts:95	View Trace

✓ auth.spec.ts	
✓ Authentication Pages › should display login page	<div>chromium</div> 1.5s
auth.spec.ts:4	View Trace

✓ <b>Authentication Pages &gt; should have link to register page</b> <span>chromium</span> 1.5s auth.spec.ts:22  View Trace
✓ <b>Authentication Pages &gt; should navigate to register page</b> <span>chromium</span> 3.9s auth.spec.ts:32  View Trace
